

## **Tower Media Productions** **Effects Pricing & Packages**

The Tower Group is pleased to announce the creation of Tower Media Productions.

In partnership with Melodyline, we are now able to add custom sound effects such as racing engines, kids playing and radio sounds, to your customized on hold production. With thousands of sound effects to match your custom scripts, Tower Media and Melodyline can make your caller's on-hold experience one to remember.

Tower Media can also offer you competitive pricing on the following:

- Radio commercials
- Music for your website
- Mastering services
- Telephone IVR messages
- Corporate training / promotional CDs/CD-ROMs.

Contact us at 859-389-8900 ext 229 or email at [jtevens@towermediaproductions.com](mailto:jtevens@towermediaproductions.com) for pricing and options.
